

Chapter Review

Chapter 11:

(Rainforest Journey Grade 3)

Study the diagram. Then answer the questions.

1. All living things are part of a food chain. Study the diagram and think about what you learned in Chapter 7 of *Rainforest Journey*. Describe how a food chain works.

2. All living things get energy from the sun. Write numbers under the pictures to place them in the correct order from the sun. The sun has been numbered for you.
